

## Supporting the Legion – Annual Bursary Awards to Students

On June 1, 2010 the Band provided the music for the annual bursary awards ceremony for students in the community. After starting to set up in the main hall, space constraints meant that we had to move onto the stage. We kept toasty warm on a hot evening, squeezed up close and moving in unison, seated semi-sideways to face Christine, who kept us all together, including percussion half-hidden behind the back curtain, while she doubled at the very edge of the stage as conductor and flautist. We thoroughly enjoyed celebrating our partnership with the Legion by serenading and entertaining the honoree students and their families, and meeting them at the reception afterwards.
